

WARRANTY

WALLING WARRANTY- ZINCALUME® STEEL 15 YEARS

ZINCALUME® zinc/aluminium alloy coated steel FOR SINGLE SKIN WALLING IN LIGHT INDUSTRIAL/ COMMERCIAL ENVIRONMENTS
ZINCALUME® steel USED IN THE MANUFACTURE OF WALL SHEETS
WARRANTY TO PERFORATION OF WALL SHEETS

BlueScope Steel Limited ABN 16 000 011 058 (hereinafter called "BlueScope Steel"), warrants that the ZINCALUME® steel supplied to ROLLFORMER for fabrication of wall sheeting (hereafter referred to as "the product"), and for subsequent manufacture of PROFILE is manufactured from prime material and will have a life prior to perforation by weathering in the natural elements of 15 years from the date of installation, being DATE at PROJECT-STREET ADDRESS, CITY STATE

Warranty is subject to the following terms and conditions:

1. This warranty is only applicable to ZINCALUME® steel with base metal thickness of 0.35mm or greater.
2. The product is installed in accordance with the manufacturer's published fixing recommendations, these being in accordance with AS/NZS current at the time of installation.
3. Installation is greater than 1km from marine or industrial environments.
4. The product has an official ZINCALUME® steel brand.
5. All flashings and components fixed to the wall must be either manufactured from COLORBOND® XRW steel or ZINCALUME® steel, aluminium, zinc, or other BlueScope Steel approved material in accordance with BlueScope Steel recommendations.
6. The BlueScope Steel paint finish and metallic coating, as supplied must not be scratched, abraded, or damaged in any way, or coated with an incompatible material.
7. All fasteners used for fixing ZINCALUME® steel are to be in accordance with BlueScope Steel recommendations.
8. Sheltered areas or areas unwashed by rain exposure must be washed down on a regular 6 monthly basis in accordance with BlueScope Steel recommendations. Corrosion arising in unwashed areas will not be covered by the warranty.
9. Wall sheeting must not be used as concrete formwork or be immersed during construction or immersed during general exposure.
10. This warranty is not applicable to heavy industrial environments including, without limitation, chemical processing or storage, aluminium processing, fertilizer processing and storage, pulp and paper mills, or any similar facility which allows aggressive industrial environments.
11. Perforations partly or wholly due to the following causes are not covered by this warranty:
 - a) Mechanical, chemical, corrosion or other damage sustained during transport, handling, storage, erection or subsequent to erection.
 - b) Attack from chemical agents, fumes, liquids or solids other than direct rain falling onto the product under warranty.
 - c) Contact with concrete, mortar, bitumen, soils, ashes, fertilizers or other moisture retaining substances.
 - d) Immersion as a result of flood or sub standard site drainage.
 - e) Failure to provide a free drip edge to all sheeting.
 - f) Areas in metallic contact with lead or copper or subject to the run-off from lead or copper flashing and pipes.
 - g) Failure to remove debris and/or failure to provide free drainage of water including internal condensation from all surfaces of the product.
 - h) Deterioration of the sheet caused by contact with green, wet or treated timbers.
 - i) Installations subject to unusually corrosive environments at any time in the future.
 - j) Storm and tempest or other acts of God.

Should perforation by natural weathering occur less than the warranted period, BlueScope Steel's liability shall be limited exclusively to the pro-rata share of the product replacement of the affected portion as follows.

Replacement product will be supplied at a discount, which bears the same ratio to the then current price as that part of the warranty period not achieved bears to the full warranty period.

BlueScope Steel shall only be liable for:

- (a) the cost of replacing the product;
 - (b) the cost of obtaining equivalent product; or
 - (c) the cost of having the project repaired
- whichever is the lowest

BlueScope Steel shall not be liable for:

- (a) labour costs associated with the installation or removal of affected product or the fixing of replacement sheets; or
- (b) injury to persons, or damage to property or consequential losses arising from the use of the product.

BlueScope Steel extends this warranty solely to the manufacturer.

BlueScope Steel reserve the right to inspect a building prior to issuing of the warranty.

This warranty is given in lieu of all other considerations or warranties expressed or implied except to the extent that any statute applicable to this contract prevents the exclusion restrictions or modification of such conditions or warranties.
